Cat Burns

Ooh-ooh
Ooh, ooh-ooh
Ooh, ooh-ooh, yeah

Tried calling yesterday but got your voicemail again
Rushed over to your Uni hall, saw her leaving your place
You said you fucked up on a night out
You drank way too much, you're feeling bad now
You're tryna figure how to worm your way out

Well, look at what you've done
You said you'd never do
You've fucked it for yourself
This is the end of me and you

So don't call this number anymore
'Cause I won't be there for you like I was before
I should have listened to my friends
They always know best
They said you were just like all the rest, so
I'll sing it loud in case you don't already know
Pack up your shit and go, go, go, go
Go, go, go, go
Pack up your shit and go, go, go, go
Go, go, go, go (Mm, mm)

You said it was a one time thing
One time has ruined everything
Look at me when you're lying
Stop crying your heart out
Yeah, it was really nice to know you
I wish you the best in all that you do
But close the door, boy, on your way out

Well, look at what you've done
What you put me through
You fucked it for yourself
This is the end of me and you

Don't call this number anymore
'Cause I won't be there for you like I was before
I should've listened to my friends
They always know best
They said you were just like all the rest, so
I'll sing it loud in case you don't already know
Pack up your shit and go, go, go, go
Go, go, go, go
Pack up your shit and go, go, go, go
Go, go, go, go

I can't trust you anymore (Mm-hmm, mm)
Look what you've done
You've turned this heart cold (Cold)
And I don't know if I can love again
But I know for sure we can't be friends
This is the end

So don't call this number anymore
'Cause I won't be there for you like I was before
I should have listened to my friends
They always know best
They said you were just like all the rest, so
I'll sing it loud in case you don't already know
Pack up your shit and go, go, go, go (Go)
Go, go, go, go (Go)
Go, go, go, go (Go, go)
Go, go, go, go (I should have listened to my friends)
Go, go, go, go (They always know best)
Go, go, go, go

I'll sing it loud in case you don't already know
Pack up your shit and go
