

## Endless Sea

Cat Power

Oh, baby, what a place to be  
In the service of the bourgeoisie  
Can my believers be  
I wanna jump into the endless sea

Oh, oh  
Oh, oh  
The endless sea

Oh, oh  
Oh, oh  
The endless sea

Above us, dirty sky  
Full of youths and liquors

A little girl, a little guy  
Said, "Can't get much thicker"

Oh, oh  
The endless sea  
Oh, oh  
The endless sea  
Let it wash over me

Oh, oh  
Oh, oh  
The endless sea  
Oh, oh  
Oh, oh  
The endless sea  
Let it wash over me
