Enough

Cat Power

Intuition said it was fair Only you should know by now there's Not enough to go around

Here they come again I can watch As they try, they try to take it out Here they come again, I can Watch closer now I can watch closer now

They can't find enough To take enough from me They can't find enough To take enough from me

I've seen the hordes, the hordes I've seen the hordes, the hordes Looking down that drain of yours

Cartoon blue jay Cartoon black bay, too

Intuition knocked again Fair Only you should know by now there's Not enough to go around

But I never go that way Other half of me says I should

Other half of me says I should Other half of me says I should
