

Allahu Allahu

Cat Stevens

"Everything in the heavens and the earth has been created by Allah, He is Al Khaliq, the Creator"

"If you look around you can see the beauty of what Allah has created, sometimes you can hear the wind and the waves praising Allah. Can you hear them?"

Allah Allah, Allah Allah...

Atayna kafee sabriyat-al ghina
Wa anta ladhee lam tazal muhsinaa
Itha kunta fee kulli haalima'ee
Fa'an hamli hamee ana fee ghina

Allah Allah, Allah Allah...

Wa 'awatana gula fadlin 'asaa
Yadu mullathi min ka'aw-atanaa
Itha kunta fee kulli haalima'ee
Fa'an hamli hamee ana fee ghina

Allah Allah, Allah Allah...
