

Butterfly

Cat Stevens

Oh-oh-oh-oh, yeah

Every night I walk the city streets alone
Turn my collar to the wind
Can't stop thinkin' about you everywhere I go
When will I see her again?

Didn't think that love would shake me up this strong
Whoa-oh-oh-oh-oh

I used to travel all around the world
Lookin' for a place called home
And though I may never settle down
At least a world of love I've known

Didn't think that love would lift me up so high
Whoa-oh-oh-oh-oh

Lady, you changed my life so sweetly
You're my butterfly, yeah
Lady, don't want to tie you down, no

Do what you want to do
(Fly into my hand)
Say what you feel, baby
(Butterfly)
Go where you want to go
(And I will)
And I will always love you, my lady

I don't want to tell you how to feel
Or how to cut your hair
'Cause I believe that love should be free
Though it sounds hard, don't think I don't care

'Cause I love you, please don't get me wrong
Whoa-oh-oh-oh-oh

Lady, you changed my life so sweetly
You're my butterfly, yeah
Lady, whoa-whoa-whoa-whoa-whoa, oh-oh

Every night in winter, mmh
I will still be hoping
That you'll come back to me lady
You're my butterfly
Go where you want to go
And I will always love you, my lady

Do what you want to do
(Fly into my hand)
Say what you feel, baby
(Butterfly)
Go where you want to go
(And I will)
And I will always love you, my lady

Come on and (do what you want)
Feel free, feel free (do what you want, lady)
To be what you want to be
(Say what you want, say what you want, butterfly) yeah
(Go where you want, go where you want, and I will)
(Always love you my) lady
