

Forest Enthroned

Catamenia

I am a night in to the darkness, only soul lost with me, I walk
through the
night in to the forest and everything stays behind me, i`m wait
ing for another chance...it
calls.

I capture my eyes, I wait for the end, I see the holograms of t
oday, only soul with me I
carry my shadow, and it call`s my name...my name.

I see the light, my mind can`t touch it, emperors name and the
final thoughts, hearing
whispering from my soul, i`m so cold inside but still it`s a tr
uth...whispering inside of
me.

I touch my eyes, i`m dreaming for end, and enchanting woods is
only a dream, I feel the
sun my eyes will burn, for my soul I see anything.
