

# Burn at the Stake

Cataract

Righteous defamation, dexterity in days of divinity.  
Sinister gods of destruction and war take over their  
roll.

Obliteration of the sacred force the campaign of  
propaganda.

Banished from this dying world the campaign of  
propaganda.

Blood soaked enlightenment, brutal crusades have been  
spanned over death, burned at the stake  
Banished from the fortress of this dying world force  
the campaign of propaganda.

Banished from this dying world the campaign of  
propaganda.

Sworn to poverty!
