

## Drain Murder and Loss

Cataract

Wake up find you fighting for a foreign war  
your alliance for the cause, drain, murder and loss  
eternal struggle for new scramble of energy  
your alliance for the cause, drain, murder and loss  
manmade disasters years of endless fighting  
your alliance for the cause, drain, murder and loss  
bodies at the frontline making new refugees  
burned to the ground and repressed all that you found  
your alliance for the cause, drain, murder and loss  
burned to the ground and repressed all that you found  
slum built on the walls of our daily demand  
strings of countries bend around their tin necks  
bend around their necks!
