The Separation of Life and Time

Cataract

From the remples of divinity a call for a craven $\operatorname{dogmatism}$

Demonized! Trapped in life!

Threatening with purgatory, claiming the flawed realm A strangehold over all life and finding meaning in another world

Defaming civilisation and this world's refinement

Demonized! Trapped in life!

Repressive violence sealed with faith, slaughtered thousands profane souls
A strangehold over all life and finding meaning in another world

The separation of life and time Life and time!

Defaming civilisation and this world's refinement Demonized and trapped in this life The separation of life and time

Demonized! Trapped in life!
