

# She's A Millionaire

Catatonia

Her treasure chest was sunken  
Equally cursed and blessed  
In her Versace dress  
Too eager to impress  
A vision filled her soap sud hell  
Twin tub on spin  
Lets all her daydreams in  
And how she wants away from him

She's on it  
She's a millionaire  
She's on it  
She's got it  
She's a millionaire  
High street prams  
Chariot scene from Ben Hur  
Push chair rage  
A customized roll bar cage  
Will help baby come of age  
So what's in the pram?  
Is it teen death?  
Bazooka the check-out queue  
There's no need to argue  
About who was in front of who

She's on it  
She's a millionaire  
She's on it  
She's got it  
She's a millionaire

The ad begs 'buy bottled water'  
But we know what that it tastes of piss  
Should be getting our tampons free  
DIY gynecology

She's on it  
She's a millionaire  
She's on it  
She's got it  
She's a millionaire
