Catch 22

(Oh, whoa, whoa, whoa)

You, you try  
You try to get by  
"You're never going to pull it off  
You shouldn't even try  
You're a wet cigarette  
You're always second best"  
But they're never going to give a shit about anybody but themselves  
So you fight for them to realize  
There's more to life  
There's more to you  
There's more than meets the eye  
And when you're done  
The battle's been won  
You sit back  
You smile  
And this is what you hum, you hum

Whoa, whoa, whoa  
Whoa, whoa, whoa  
One two three four, one two three four

You, you try  
You try to get by (Whoa)  
"You're never going to pull it off  
You shouldn't even try (Whoa)  
You're a wet cigarette  
You're always second best" (Whoa)  
But they're never going to give a shit about anybody but themselves  
(Whoa)  
You fight for them to realize (Whoa)  
There's more to life  
There's more to you  
There's more than meets the eye (Whoa)  
And when you're done  
Your battle's been won (Whoa)  
You can sit back  
You smile  
And this is what you hum, you hum

Whoa, whoa, whoa  
Whoa, whoa, whoa  
One two three four, one two three four

Years go by  
The time it does fly  
Every single second is a moment in time  
That passes oh, so quick  
And it seems like nothing  
But when you're looking back, well, it amounts to everything  
I've got myself  
I've got my friends  
I've got my little family  
But that's not where it ends  
This one goes out to you  
It goes out to everyone

It's in the name of honesty because life has just begun

Whoa, whoa, whoa  
Whoa, whoa, whoa  
One two three four, one two three four

Look around little brother, can you tell me what you see?  
You're a big boy now, so take responsibility  
You never had it hard, but now it's getting tough  
So you whine, whine, whine, and you say you've had enough  
You say I'm full of shit  
That I'm a hypocrite  
I shouldn't talk when I can't take the advice that I give?  
Well maybe you're right  
But open your eyes:  
The main difference here is that I try, try, try...

Whoa, whoa, whoa  
Whoa, whoa, whoa  
One two three four, one two three four  
Whoa, whoa, whoa  
Whoa, whoa, whoa  
One two three four, one two three...
