## Catch Your Breath

Lying in your ritual  
Undressed so spiritual  
You'll see the secrets I hide  
You'll bleed a lover's drive by  
You're the killer that I want to destroy me  
With a kiss so kiss  
So deadly  
It's even better when I don't go quietly  
With a kiss so kiss  
So deadly

Oh  
Let me die in your arms tonight  
Crashing down 'til we both collide  
Under the knife  
Barely alive  
I had a vision of how I would die  
from a kiss so deadly

Breathing in your pheromones  
Unhinged so physical  
Show me the what's on the inside  
I see the hell in your eyes  
Your the killer that I want to destroy me  
With a kiss so kiss  
So deadly  
It's even better when I don't go quietly  
With a kiss so kiss  
So deadly

Oh  
Let me die in your arms tonight  
Crashing down 'til we both collide  
Under the knife  
Barely alive  
I had a vision of how I would die  
from a kiss so deadly

Just want you over me  
So I can feel you breathe  
You can use me 'til I bleed  
But I never seem to get enough

Oh  
Let me die in your arms tonight  
Crashing down 'til we both collide  
Under the knife  
Barely alive  
I had a vision of how I would die  
from a kiss so deadly  
from a kiss so deadly  
from a kiss so deadly
