

Don't Go

Catch Your Breath

Driven
Into a cycle of pain
An emptiness that cuts straight to the veins
Abandoned
Feels like I'm close to the brink
But the memory of you will remain
And it breaks my heart to know
That you're never coming back home

Don't go
Away
'Cause I don't, I don't want you to leave
You're there
Fading
And I don't, I don't wanna believe
That I will never hear your voice again
I'm lost without you here now to the end
Don't go
Away
'Cause I don't, I don't want you to leave
So don't go

Choking
On all my thoughts at your grave
How could I put to words the love you gave
Coping
Will never seep through the pain
Still I pray that you could come back to me
And it breaks my heart to know
That you're never coming back home

Don't go
Away
'Cause I don't, I don't want you to leave
You're there
Fading
And I don't, I don't wanna believe
That I will never hear your voice again
I'm lost without you here now to the end
Don't go
Away
'Cause I don't, I don't want you to leave
So don't go

They tell you she loved you
But it's not the same
And don't tell me
She's in a better place
I need to hear it from you
Need one last I love you

Don't go
Away
'Cause I don't, I don't want you to leave
You're there
Fading
And I don't, I don't wanna believe

That I will never hear your voice again
I'm lost without you here now to the end
Don't go
Away
'Cause I don't, I don't want you to leave
So don't go
