Freedom

Cathedral

Listen while I tell ya - Each and Everyone About the state our planet's in and what should be done Wheels of Freedom turning backwards on themselves Liberty is burning - in this Hell, this Cosmic Cell

Freedom for the people - Humanity and all Mankind Liberate your Soul and Mind - It's waiting for you all to find

But getting it together is what I'm talking about Ain't got time to argue - Just time to turn it out Look into the future - Just tell me what you see If we don't love each other - There'll be no harmony

Freedom for the people - Humanity and all Mankind Liberate your Soul and Mind - It's waiting for you all to find

Free wheel keep turning - Open up your mind Star-spangled stairway - That you're waiting to climb It's just a bummer - they're fascist rules Police and Politicians - Pushing on you

Father of Creation - Master of this Tomb
Universal Messiah - Motherfucking King of Doom
We don't ask forgiveness - For our sins against you Lord
We want retribution - For the Twisted ways you've taught
