

## Templars Arise (The Return)

Cathedral

Our 13th Century ceremony - a vile & wicked rite  
A virgin child we took that night, her blood for eternal life  
Local peasants tortured us - another daughter sacrificed  
With flaming torches in our eyes - our bodies they burned alive

500 years of darkness - entombed devoid of sight  
The crowds came out to mock us on this carnival night  
Clowns & dolls of Templars ridicule our sacred cult  
The Blind Dead have arisen - so now your blood be spilt

Rise! Rise! Blind Dead Arise! Rise!

As fireworks light up your sky - your jolly music plays  
Beside our monastery ruins, we're rising from the grave  
Decomposed monk warriors with swords enter your town  
Riding spectral horses - in Crimson seas you drown

Rise! Rise! Templars Arise! Rise!
