

# I Still Don't Believe You

Catherine Feeny

No I still don't believe you  
When I hear you say  
You know things will be better  
This way

No I still don't believe you  
When you tell me goodbye  
And after you put the phone down  
I am here hanging on the line

You say all these days apart  
Will mend my broken heart  
But I still don't believe you

All the mistakes we made  
Were like the work of a child  
And I know we would grow wiser  
If we just let it age a while

Cause it feels like you have made me  
Into something new  
Someone to believe in  
But I forget myself when I don't have you

You say all these days apart  
Will mend my broken heart  
All these days apart  
Will mend my broken heart  
You say I don't want to be like everybody else  
Cruel to you and hating myself  
I don't want to learn to live with it  
This everyday unkindness

But I still don't believe you  
No I still don't believe you  
I don't want to hear you  
Still don't believe you
