

## Jane

Catie Curtis

You keep on asking me whether  
Anyone would guess  
After seeing you together  
I'd say it's obvious

Day falls after day  
No matter what you do  
Say what you will say but  
Jane keeps falling after  
Jane keeps falling after  
You

You say you haven't crossed the line yet  
But the lines are thing  
And you keep trying not to forget  
She's still in something

Day falls after day  
No matter what you do  
Say what you will say but  
Jane keeps falling after  
Jane keeps falling after  
You

Some things you can't hide  
Like the feeling of a roller coaster ride  
Like the feelings I can see  
'Cause I remember when that was me

You keep on writing your poetry  
I bet she's got some too  
But you don't have to show it to me  
'Cause it's nothing new

Day falls after day  
No matter what you do  
Say what you will say but  
Jane keeps falling after  
Jane keeps falling after  
Jane keeps falling after  
You, You, You, You, yeah
