Over

Catie Curtis

We made it through the rough nights
We got some more ahead
I got my candles and my flashlight
Here beside the bed

And it's only, only
The deal we made with time
So hold me, hold me
We'll open up our last bottle of wine

I don't want it to be over
I don't wanna go, I don't wanna go
Not every rock wants to roll, oh
I don't wanna go

I thought I couldn't live without you
But we don't get to choose
The more I say that I want to
The more I have to lose

And it's only, only
Each moment that is real
And you told me, told me
You like the way this moment feels

I don't want it to be over
I don't wanna go, I don't wanna go
Not every rock wants to roll, oh
I don't wanna go

Every end is a beginning
And a thread lies underneath
Rivers born in the mountains
Start over in the sea

And if we're only, only
Tiny grains of sand
Then hold me, hold me
Don't let me slip though your hands

I don't want it to be over
I don't wanna go, I don't wanna go
Not every rock wants to roll, oh

I don't want it to be over
I don't wanna go, I don't wanna go
Not every rock wants to roll, oh
I don't wanna go, oh
