If You Feel

Cats on Trees

You're not coming home
I have to meet with you
You're not coming home
I dig my time with you

Visions on the TV crush my mind
The car shakes like a dog I'm losing time

You're my sister the tattoo on my skin
As you lead me underneath the stars
You're my sister the tattoo on my skin
You build a neon castle with your eyes

If you feel my heart then I can dive alone
I hear your voice
And I can have a home where beats my heart
I know I'm not alone I see you smile
We're twin souls in the sky sky sky oh oh
We're twin souls in the sky

I saw you through the door
You blew my mind away
We're smoking on the floor
I had no words to say

Lovers all around you crush my mind
My heart beats like a drum drum close to you

You're my sister the tattoo on my skin
You build a neon castle with your eyes

If you feel my heart then I can dive alone
I hear your voice
And I can have a home where beats my heart
I know I'm not alone I see you smile

We're twin souls in the sky sky sky oh oh
We're twin souls in the sky

I know I'll make it home
You blew my mind away
I have to meet with you

I know I'm not alone
You saved me once again
I dig my time with you

If you feel my heart then I can dive alone
I hear your voice
And I can have a home where beats my heart
Home where beats my heart

And I can have a home where beats my heart
And I can have a home where beats my heart

Oh where beats my heart
Oh where beats my heart
