

## Sirens Call

## Cats on Trees

Whatever way, the same  
Nothing according to plan  
If I could just see clearly, into you  
The same face every day, the sirens calling away  
This mean so much more

The floating boat is carrying me  
And I can live my story differently  
The greedy sirens are chewing all around me  
While I sing oh  
On the falling shoals, I wonder why me?  
On my way to the falls, I hope you see  
We are heading to the wall even if you are sorry,  
While I sing oh

In my sleep, nothing same  
Nothing according to plan  
If I could be someone, without you  
The same smile everyday  
The sirens calling away  
This mean so much more

The floating boat is carrying me  
And I can live my story differently  
The greedy sirens are chewing all around me  
While I sing oh

In my sleep, nothing same  
Nothing according to plan  
If I could be someone, without you  
The same smile everyday  
The sirens calling away  
This mean so much more

The floating boat is carrying me  
And I can live my story differently  
The greedy sirens are chewing all around me  
While I sing oh  
On the falling shoals, I wonder why me?  
On my way to the falls, I hope you see  
We are heading to the wall even if you are sorry,  
While I sing oh
