

## Cream Of The Crop

### Cattle Decapitation

Bleeding, weeping,  
coagulation sets in  
A bolt in my head! The grisly aftermath of a life  
spent  
waiting for the carnage to come

I love the stench  
of my brothers, my sisters  
bloodsoaked and lifeless

Sinew, clots, cream of the crop  
Bile, intestines  
scrap heap to be digested

this love never dies
