Shook

Cautious Clay

Not a single fucking day goes by
Stay messing up a 9 to 5
Water running like the way you cry
I be honest cause I'm not too shy

But there's something bout your loving
Got me shook, got me shaken up
I know things ain't too much by the book
Pages tearing up

Couldn't even tell if you had a plan
Now phasing in and out of love
If you want stay out
You could only blame me

If you wanna call it off without a trace
But you fuck with me
In case I'm holding out
Rather be chasing broken trust

It's something bout the way you love
But I'm so tired of the dance and song
Keeping moving at a pace too strong
Too tough to let you go

So I ain't gotta let you know it's nothing
So I ain't gotta let you know

But there's something bout your loving
Got me shook, got me shaken up
I know things ain't too much by the book
Pages tearing up

Something bout your love
It got me shook
Got me shaken up
I know this ain't too much by the book
Pages tearing up
