

## Alien Waves

Cavetown

I sit here to look in the sky in the evening and stuff  
When I'm, when I'm home and I realize how big it is compared to  
us  
And we're completely insignificant really, but I mean  
That's okay, because I like it that way, or something

I don't really know how to write poetry  
But on nights like these the words seem to flow straight through  
me  
I don't think you truly understand how much this means to me  
I don't really know how to write poetry  
But on nights like these the words seem to come straight to me  
And waves of silence and the way the trees they sway so slowly  
I don't truly understand it all  
I don't really know how to write poetry  
But on nights like these the words seem to flow straight through  
me  
I don't think you truly understand how much this means to me

When I'm going to sleep and you're like whoa  
What the heck am I doing here  
Oh my god  
I'm gonna try to get to the point up to it's  
You are a person, I'm a person, and we're just objects that are  
obsolete

What do you want now  
What do you want now  
What do you want now  
What you want now  
What do you want now  
What do you want now  
I know something you want  
What you want now  
I know something you want  
Tell me what you want  
Tell me what you want  
Tell me what you want  
Tell me what you want  
Tell me what you want  
Tell me what you want  
What do you want  
Whoa
