

## Dysphoric V.2

Cavetown

Don't let me see what I am  
Cause I can't stand it, no I can't  
I'm coming back round again  
It's been over a year, I thought this was the end

But now I don't remember comfort  
Because what I am is what I'm not  
I don't belong here it's just hopeless  
Find me a way out if you love me at all

(2, 3, 4)

Don't let me hear what they say  
Cause I can't stand it everyday  
I'm thinking that I should leave now  
And I don't think I'm coming back this time

But now I don't remember comfort  
Because what I am is what I'm not  
This phantom skin, it's weird to live in  
So find me a way out if you love me at all
