

Dysphoric

Cavetown

Don't let me see what I am
Cause I can't stand it, no I can't
I'm coming back round again
It's been over a year, I thought this was the end

And now I don't remember comfort
Because what I am is what I'm not
I don't belong here, it's just hopeless
Find me a way out if you love me at all

Don't let me hear what they say
Cause I can't stand it everyday
I'm thinking that I should leave now
And I don't think I'm coming back this time

Cause now I don't remember comfort
Because what I am is what I'm not
This phantom skin it's weird to live in
So find me a way out if you love me at all
