

Let Me Feel Low

Cavetown

Just let me feel low, let it by
Let it eat me alive
I don't care, I don't mind
I don't want to feel fine
Just pull my stupid head
Out the other side

A picture of my home, in the sky
I elaborate it more every night
As much as I get close
Something in me says no
Every time, yeah

Maybe it's okay to give it up
Maybe it's okay to
Maybe it's okay to

Just let me feel low, let it by
Let it eat me alive
I don't care, I don't mind
I don't want to feel fine
Just pull my stupid head
Out the other side

Let it by
Let it by

I never meant to see things end this way
I stop my feelings, make 'em go away
But I been walking on this line for too long
I've been running from my thoughts for too long
I've been numb, oh I been holding my breath
I turn green, I feel it up in my chest
I've been walking on this line for too long
I've been running from my thoughts for too long
Maybe it's okay to give it up
Maybe it's okay to

Feel low, let it by
Let it eat me alive
I don't care, I don't mind
I don't want to feel fine
Just pull my stupid head
Out the other side

Let it by
Let it by
