

Lov Song

Cavetown

I'm a hollow shell and I don't know what I would do if I never
met you
I think I'd be a lonely boy or maybe just a ghost, and right no
w I think I love you the most

And the sky's not falling down just yet so I think I'll sit rig
ht here with you if you'll let me
The birds in the trees they still smile just for me, 'cause I'm
doin' just fine with you

I'm sorry for the times that I get scared for no reason at all,
but you're cool with it
I'd apologize so many times if you didn't stop me, you know any
time feel free to just quit

And the sky's not falling down just yet so I think I'll sit rig
ht here with you if you'll let me
The birds in the trees they still smile just for me, 'cause I'm
doin' just fine with you
