

Lullaby

Cavetown

You will fall asleep with your head on the grass
And your eyes so heavy, they'll weigh you down when you laugh
You ran to me and said baby I can't rest
I told you no one in this world has either, we're blessed

I know you struggle to see it sometimes
And you struggle to sleep at night
But just know, that I'm watchin' over you, ooh-ooh
You lay and stare at the wall,
Enough troubles to trouble us all
But just know, I'm feeling it too

I was wonderin' if you'd like to come inside
And sit with me so I don't die
I love you so and I'll never let you go
And may the Lord be with you no matter where you go

I know you struggle to see it sometimes
And you struggle to sleep at night
But just know, that I'm watchin' over you, ooh-ooh
You lay and stare at the wall,
Enough troubles to trouble us all
But just know, I'm watching over you
I'm feeling it too, ooh-ooh
