

Remember You

Cavetown

Marceline, is it just you and me in the wreckage of the world?
That must be so confusing for a little girl
And I know you're going to need me here with you
But I'm losing myself, and I'm afraid you're going to lose me too

This magic keeps me alive, but it's making me crazy
And I need to save you, but who's going to save me?
Please forgive me for whatever I do
When I don't remember you

Marceline, I can feel myself slipping away
I don't remember what it made me say
But I remember how I saw you frown
I swear it wasn't me, it was the crown

This magic keeps me alive, but it's making me crazy
And I need to save you, but who's going to save me?

Please, forgive me for whatever I do
When I don't remember you
