

Sailboat

Cavetown

Baby, on your back, get comfy for me
Like a pillow in my lap
Hide my body and keep it to yourself
I'm a wreck, when you're near, I'm a sailboat
With your name on my neck
Get closer to me

I keep you waiting
I can't explain it

(Hey!)

Honey, you're the one that I want and I never wanna hurt you
Maybe that's the reason I'm so nervous when you ask me for a tattoo
(Hey!)

Honey, you're the one that I want and I never wanna hurt you
Maybe that's the reason I'm so nervous when you ask me for a tattoo

I'll let you stab right in with the ink
And I think that if you had my skin
You would never have to wonder
Why I feel so mean to myself and the others
Why I get so sad on the phone with my mother
But I'll be your canvas
If it can ever fix this
Ask you to carve my case and let me go

And I'll call you on the way home
Let you know I'm not bleeding anymore, 'cause
I will always be your sailboat
Reel you in when you're crying on the shore, oh
I feel fine
I can't cut the line

(Hey!)

Honey, you're the one that I want and I never wanna hurt you
Maybe that's the reason I'm so nervous when you ask me for a tattoo
(Hey!)

Honey, you're the one that I want and I never wanna hurt you
Maybe that's the reason I'm so nervous when you ask me for a tattoo

Honey, you're the one that I want and I never wanna hurt you

(Honey, you're the one)

(Honey, you're the one)

(Honey, you're the one)

Maybe that's the reason I'm so nervous when you ask me for a tattoo

(Honey, you're the one)

(Honey, you're the one)

(Honey, you're the one)

(Honey, you're the one)

One

Honey, you're the one

Honey, you're the one

Honey, you're the one (I never wanna hurt)

Honey, you're the one

Honey, you're the one

Honey, you're the one
