

Self Control

Cavetown

I'll be the boyfriend in your wet dreams tonight
Noses on a rail, little virgin wears the white
You cut your hair but you used to live a blonded life
Wish I was there, wish we'd grown up on the same advice
And our time was right

Keep a place for me, for me
I'll sleep between y'all, it's nothing
It's nothing, it's nothing
Keep a place for me, for me

Now and then you miss it, sounds make you cry
Some nights you dance with tears in your eyes
I came to visit, 'cause you see me like a UFO
That's like never, 'cause I made you use your self-control
And you made me lose my self-control, my self-control

Keep a place for me, for me
I'll sleep between y'all, it's nothing
Keep a place for me, it's nothing, yeah it's nothing
It's nothing, it's nothing

I, I, I
Know you gotta leave, leave, leave
Take down some summertime, give up
Just tonight, night, night, night
I, I, I
Know you got someone comin'
You're spittin' game
I know you got it, yeah

I, I, I
Know you gotta leave, leave, leave
Take down some summertime, give up
Just tonight, night, night, night
I, I, I (Keep a place for me, for me)
Know you got someone comin'
You're spittin' game
I know you got it
(I'll sleep between y'all, it's nothing)

I, I, I
Know you gotta leave, leave, leave
(Keep a place for me)
Take down some summertime, give up
Just tonight, night, night, night
(Keep a place for me)
I, I, I
Know you got someone comin'
You're spittin' game
(It's nothing)
I know you got it, yeah
(It's nothing, it's nothing)
