

## Sliipping Lately

Cavetown

[Marty:] whoa, this is it, this is the part coming up, Doc  
[TV Doc:] No no no this sucker's electrical, but I need a nucle  
ar reaction  
To generate the one point twenty-one gigawatts of electricity  
Doc: What did I just say?  
[TV Doc:] No no no this sucker's electrical, but I need a nucle  
ar reaction  
To generate the one point twenty-  
one gigawatts of electricity that I need  
[Doc:] One point twenty-one gigawatts. One point twenty-  
one gigawatts  
Great Scott  
[Marty:] What the hell is a gigawatt?  
Doc: How could I have been so careless? One point twenty-  
one gigawatts

Picture this, promises, yeah  
You're a snitch, you'll tell them anything  
Hear me out, don't be difficult  
We'll work this out, and then mess it up again

Oh I've been slipping lately, I've been slipping lately

Call it quits, dwelling's criminal  
Sorry miss, condition's critical  
Soda fizz, is stuck in his blood stream  
Diagnosis, probably attention seeking

I've been slipping lately, oh I've been slipping lately  
I've been slipping lately, oh I've been slipping lately

It doesn't really matter  
You know what's real  
Burning on your fingers  
You know how to feel

I've been slipping lately, oh I've been slipping lately  
I've been slipping lately, oh I've been slipping lately

Oh I've been slipping lately, oh I've been slipping lately
