## Cavetown

Miss skinny jeans why won't you talk to me?  
I miss when everything felt right  
My skinny jeans have gotten too small for me  
But I feel smaller than I've ever been  
I couldn't be good enough, I couldn't do it right  
Now I don't wanna even try

What does it mean when somebody says sorry?  
Is it true regret or just a formality?  
I've lost far too many days of my life  
And I know I won't get sleep tonight  
But it's alright, yeah it's alright, yeah it's alright

Might as well just bury me down in the Mariana's Trench until I  
come out  
And it's easy you see, yeah it's nothing to me  
And it's cold but you're warm can we hug til you freeze tonight  
Can we hug til you freeze tonight

(And we're gone again, we're gone again)

What does it mean when my body feels fuzzy?  
I think that I'm gone, I think I'm going  
I don't know where  
My legs are see-through and my hand polystyrene  
Gotta let it happen, gotta let it be

Yeah it's alright, it's alright, it's alright  
Pretty bedsheets, skull of concrete, it's alright

Might as well just bury me down in the Mariana's Trench until I  
come out  
And it's easy you see, yeah it's nothing to me  
And it's cold but you're warm can we hug til you freeze tonight  
Can we hug til you freeze tonight  
It's cold but you're warm can we hug til you freeze tonight
