

Do you want to follow me underground?  
Make our way to Y 13 and have a good dig around  
Take this pick of mine and follow me in a straight line

Do you want to follow me underground?  
Make our way to Y 13 and have a good dig around  
There's a whole world down here, I never realized  
My, oh my, this atmosphere, I'm losing my track of time  
All of a sudden, there's something following me

Do you want to follow me underground?  
Make our way to Y 13 and have a good dig around  
Climb a ravine or explore the caves, making our way down to Y 1  
3  
Crouch carefully around the lava lake  
I hope and I pray there's a diamond for me
