

All Or Nothing

Caylee Hammack

Sunburning in neon light
Living that Miller High life
Soaking up
Another buzz
Another shot
Another night

I ain't here to play games
I ain't here to get played
Can't deny
How your eyes
Are catching mine, babe

Alright
All good
All night
You've looked
Like you're looking at what you're wanting
So, boy, say something
All right
Tom Petty
Heartbreaker
I'm ready
If you want a little bit of my lovin'
Well, it's all or nothing
Ooh-oooh
Ooh-oooh
If you want a little bit of my lovin'

I'm looking for a ride or die
Don't need no ride on by
Yager bombin'
Cheech & Chongin'
Oh me, oh my

I ain't speaking of no diamonds
I ain't putting on no pressure
But a good man with a slow hand
Makes any night better

Alright
All good
All night
You've looked
Like you're looking at what you're wanting
So, boy, say something
All right
Tom Petty
Heartbreaker
I'm ready
If you want a little bit of my lovin'
Well, it's all or nothing
Ooh-oooh
Ooh-oooh
If you want a little bit of my lovin'

I'm all about that all in falling

Can't control
No way to stall it
Gotta have it kinda lovin'

I'm all about
That all in falling
Can't control
No way to stall it
Gotta have it kinda lovin'

I'm all about
That all in falling
Can't control
No way to stall it
Gotta have it kinda lovin'

All or nothing

Alright
All good
All night
You've looked
Like you're looking at what you're wanting
So, boy, say something
All right
Tom Petty
Heartbreaker
I'm ready
If you want a little bit of my lovin'
Well, it's all or nothing
Ooh, ooh
Ooh, ooh

If you want a little bit of my lovin'
Well it's all or nothing
Ooh, ooh
Ooh, ooh
If you want a little bit of my lovin'
Well it's all or
Nothing
