Gold

Caylee Hammack

```
If pain is hard, you gave me gold
You gave me gold
And in a cloud of smoke, here I go
Ohh here I go

But I should thank you 'cause
If it wasn't for you
If it wasn't for you
If it wasn't for you
I've been watching for you

If it wasn't for you
If it wasn't for you
If it wasn't for you
If it wasn't for you
```
