

How Long

Caylee Hammack

We think that we're clever
Sneaking off together for a smoke
But I gave up years ago
We think they don't notice
When the bar starts closing
I offer you a ride
We live on different sides of the city
When you're near me I got a one-track mind
All that I'm thinking is

How long
How long
'Til you kiss me
I wanna know
How come
I don't even drink
But I'm tipsy
And it kills me how
We're living it up
And playing it down
Whenever our friends come around
We keep our hands to ourselves
Tell me how long
How long
'Til I can call you baby
How long

If I had it my way
You'd stay 'til Sunday
We'd leave the world alone
Take it slow and if the phone rings
We'll just let it
They'll get the message
For now darling, don't keep me waiting

How long
How long
'Til you kiss me
I wanna know
How come
I don't even drink
But I'm tipsy
And it kills me how
We're living it up
And playing it down
Whenever our friends come around
We keep our hands to ourselves
Tell me how long
How long
'Til I can call you baby
How long

Tell me how long
How long
'Til you kiss me
I wanna know
How come

I don't even drink
But I'm tipsy
How long

Oh, oh, how long
Oh baby, tell me how long
How long
