

New Level Of Life

Caylee Hammack

If it wasn't for you, if it wasn't for you
If it wasn't for you, if it wasn't for you

I wouldn't be stuck here
Surrounded by strangers
I guess I should thank ya
'Cause getting over you has been
Oh one hell of a ride
You threw me in the deep end
So I bought a swimsuit
Two-piece
One-way ticket to forget you
Anything to oh get you off my mind

And I'll blow through all my money
In a couple of weeks
But now that I'm here
Ah, that shit don't bother me

I'm on a new level of life
In a penthouse way up in the sky
I got supermodels by my side
Top down Maserati ride
If I want it I'll get it
Don't need ya
Don't you forget I'm on a
New level of life
On a new level of life
A new level of life

I won't be cryin' when I wake up
Buzzin' in a beach front
Pool boy, bring me something with a little rum
Override the sadness,
Put it on the plastic
Tippin' bartenders like the Titanic

I'm on a new level of life
In a penthouse way up in the sky
I got supermodels by my side
Top down Maserati ride
If I want it I'll get it
Don't need ya
Don't you forget I'm on a
New level of life
On a new level of life
A new level of life

Champagne on the plane, no you won't find me complaining
It's raining
Champagne on the plane, no you won't find me complaining
It's raining
Champagne on the plane, no you won't find me complaining
It's raining
Champagne on the plane, no you won't find me complaining
It's raining

I'm on a new level of life
In a penthouse way up in the sky
I got supermodels by my side
Top down Maserati ride
If I want it I'll get it
Don't need ya
Don't you forget I'm on a
New level of life
On a new level of life
A new level of life
