

House Party

CeCe Peniston

Let the party beep, let the party bump

Tonight's the night I'm feelin' right
You know there's a party on in my neighborhood
We're bumpin' too the music cause the beat is strong
Like a party should, party should

Everything's gettin' real crazy
From the way more men try to play me
But it's all good
Niggas in the houses got the flavor
Wakin' up all the neighbors
Were havin' lots of fun

Ooh, it's a house party
Ooh, it's a house party
'Cause the house party just don't stop

The girls are here and I'm with my crew
And I'm feelin' good
Chillin' in the place outside
This is where the party's at
Yes, my grooves are bad

Hangin' out with all the brothas
Ain't tryin' to get under no covers
I'm just feelin' good
My eyes are peekin' baby in the corner
A second look, someone was gettin' up on him
Like I knew they would

Ooh, it's a house party
Ooh, it's a house party
'Cause the house party just don't stop

Give it up, give it up, give it up
We're havin' a real good time
Give it up, give it up, give it up
We're havin' a real good time

Wave your hands in the air and
Wave 'em like you just don't care
Cause you know it's a house party
(Let the party beep, let the party bump)
It feels so good to me
(Let the party beep, let the party bump)
You oughta know, don't you know?
It's a house party
(Let the party beep, let the party bump)
