

# I Will Be Received

CeCe Peniston

So many ways that love can tear away your faith  
So many times that it deserts me  
And I will bless the day When I have found my place  
Until then this life just hurts me

But I know in the end  
I will be turned away no more  
Yes, I know any day now  
I will be received

Is there a chance that I will live to see the day  
When promises will stay unbroken  
So many fires rage deep inside my soul  
So many feelings left unspoken

But I know in the end  
I will be turned away no more  
Yes, I know any day now  
I will be

And it seems oh so far away  
When I want to touch my soul's salvation  
And I know there's a state of grace  
And you can reach it if you hold on

I will be received  
But I know in the end  
I will be turned away no more  
Yes, I know any day now  
I will be received
