

You'll find out
(Just listen)
You'll find out, oh

I can see it in your eyes
I know I gotta come right
(Right, oh)
It won't be a waste of your time
I got it all planned in my mind
My mind, oh

Oh, I got the feeling and I won't settle
Only want the best so I won't settle
Wanna take your body to a new level
Places never seen we'll discover

You don't know what I wanna do
(You do what you wanna do)
Show you an Arial view of where we gonna go
(I'll go where you wanna go)
Can I be the only one to make you fly
(And fly until we are)
If you're not already imma make you mine
(We're one and I know you're mine)

Why can't you
You, you
Can't, can't you try
I can fly you in if you want on the weekend
Bet you you're the one who can give me something different
Why can't you
You, you
Can't, can't you
Show you the love that you need
Yeah baby, we can do it but
Maybe it's silly of me

If you're curious you'll find out
Sooner or later comes down
(I know it, you know it)
You been wanting it for a while
Come on and get it right now
Right now, oh yeah

Oh, I got the feeling and I won't settle
Only want the best so I won't settle
Wanna take your body to a new level
Places never seen we'll discover

You don't know what I wanna do
(You do what you wanna do)
Show you an Arial view of where we gonna go
(I'll go where you wanna go)
Can I be the only one to make you fly
(And fly until we are)
If you're not already imma make you mine
(We're one and I know you're mine)

Why can't you
You, you
Can't, can't you try
I can fly you in if you want on the weekend
Bet you you're the one who can give me something different
Why can't you
You, you
Can't, can't you
Show you the love that you need
Yeah baby, we can do it but
Maybe it's silly of me

Silly of me
Silly of me
Silly of me
Maybe it's silly of me
And I don't wanna go, I don't wanna go (Oh why)
Ever ever go, ever ever go (Oh, why can't you try)
You got a lot of time, you ain't going no
I can try if you want me to

Why can't you
You, you
Can't, can't you try
I can fly you in if you want on the weekend
Bet you you're the one who can give me something different
Why can't you
You, you
Can't, can't you
Show you the love that you need
Yeah baby, we can do it but
Maybe it's silly of me

You'll find out
You'll find out
You'll find out, oh
