

Somebody Else's Guy

CeCe Peniston

I can't get off my high horse
And I can't let you go
You are the one who
You are the one who makes me feel
So real, yeah
What am I supposed to do, baby?
What am I supposed to do, baby?
When I'm so hooked up on you
Then I realize, oh, I realize
That you are somebody else's guy?

Do you remember the times we shared together
Sharing our days in the sun
Then I found out that you were somebody else's lover
After all the plans we made, now I'm shattered 'cause

I can't get off my high horse and I can't let go
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked on you
And then I realize that you're somebody else's guy?

That day in September I knew you would remember
That's when all the stuff hit the fan
You told me a lie, and you didn't have an alibi
But baby, yet I still care

Oh, I felt sorry that I can't let you go, no, no
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked on you
And then I realize that you're somebody else's guy

I didn't realize, you were on my mind
Oh, you're on my mind
I felt so much baby that I can't let you go, no, no
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked on you
And then I realize that you're somebody else's
Somebody else's, somebody else's guy

Yes, you are
You are the one who makes me feel so real
You were wrong all along
The things that you did to me
I didn't realize that you were on mind

I just can't let you go
You made me strong
You were wrong all along
Somebody else's, somebody else's
You were on my mind
Oh, you make me feel oh so real, oh so real

I can't get off my high horse and I can't let go
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked on you
And realize that you're somebody else's guy?

Oh, I can't get off my high horse and I can't let go
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked so on you
And realize that you're somebody else's guy?

I can't get off my high horse and I can't let go
You are the one who makes me feel so real
Ooh, what am I supposed to do when I'm hooked on you
And realize that you're somebody else's guy?
