

Virtue

CeCe Peniston

Yo Ce, baby, what's up?
You know I'm down for you, baby
So you know, what's the crap? Baby
You know I just want to spend some time with you, baby
What's up?

So you sayin' that you're down with me
So let's check the degree (yeah, uh-huh)
It's what I'm hearin', it's nothing new to me
Just an impression on what you need
Carry yourself in a gentleman way
So far you're good to go
And now I find myself at your place

Yo baby, what's up?
Look why you wanna clown me?
I told you I'm down for you
I just wanna get to know you
Look, I promise I won't try to give you somethin' tonight

So you're sayin' that you're down with me?
Respect my virtue (you got it)
So you wanna spend some time with me?
Respect my virtue (you got it)

I'm not the one to teach, 'cause baby, I please
So take some time to get to know me better
And if you wanna be down with me
Respect my virtue (you got it)
Respect my virtue (you got it)

You say you live alone, so am I
But I don't see no signs
(Oh, baby, I could take you 'round the world and back, what's up?)
Mack daddies come a dime-a-dozen buggin'
And so they try to find
(You know, we just come back a while and kicking it, play that vow)

The combination to my heart and mind
The stimulation kind
The stimulation is easy to do
After, where do I stand with you? (I never knew ya!)
'Cause Ce ain't goin' out like that guaranteed
Not before my need, you see
A new jack move in a woman's plan
If you really want a woman, find the time to be a man, oh yeah

So you're sayin' that you're down with me?
Respect my virtue (you got it)
So you wanna spend some time with me?
Respect my virtue (you got it)

I'm not the one to teach, 'cause baby, I please
So take some time to get to know me better
And if you wanna be down with me
Respect my virtue (you got it)
Respect my virtue (you got it)

I need a man, a man with backbone
(Hehe, backbone, baby I got that and much more)
(What you talkin' about)
You know what, baby? (Wad up?)
If you wanted to spend some time with me
You should have respected my virtue
You know what I'm sayin'

If you wanna be down with me
Respect my virtue (you got it)
So you wanna spend some time with me
Respect my virtue (you got it)

I'm not the one to teach, 'cause baby, I please
So take some time to get to know me better
And if you wanna be down with me
Respect my virtue (you got it)
Respect my virtue (you got it)
Respect my virtue (you got it)
Respect my virtue
Respect my virtue, oh, yeah

(Y-Y-Y-You got it)
(Y-Y-Y-You g-g-got it)
(You got it)
(G-G-Got, you got it)
(You got it)
