

# Hey Devil!

CeCe Winans

Hey devil, get behind me  
Hey devil, under my feet (mmm)  
Hey devil, don't you touch me

Nah, nah, nah listen here, mean devil  
I've been, I know I was wrong  
But you've been messing this thing  
Here up now for far too long  
So in the name of Jesus  
Go 'head and be gone

The Bible said and I believe it's true  
I no longer have to listen to you  
I'm holy now, my spirit's free  
And you gon' have to quit botherin' me  
On the count of three  
Leave  
One, two, three, go

Hey devil, get behind me (ah yeah)  
Hey devil, under my feet (oh oh)  
Hey devil, don't you touch me (ooh yeah)

See now devil, what you didn't know is that I came with backup  
Hey CeCe  
What Twinkie?  
I hate the devil (me too, girl)  
I'm sick and tired of that devil  
That's why we puttin' him outta here  
Jackie, what about you, dear?  
He is a liar and his momma is a liar  
If he had one  
Come on, Dorinda

Jesus knew and I knew it too  
You gotta do as I tell you to do  
If I say out then out you go, go  
This is all because of who I know  
I got a right  
The Bible tells me so

Hey devil, get behind me  
Oh devil, get behind me  
Hey devil, under my feet  
You gonna get under my feet  
Oh devil, don't you touch me

Aah yeah  
I'm not gonna take nothin' from you  
I'm here to tell you  
I'm more than a conqueror (yes, you are)

Don't you touch me  
You can't have me (no, no, no, no)  
Under my feet (no, no, no, no)  
Get behind me

Now, you got a few tricks, I must admit  
But now I'm so much wiser  
Too afraid for so long  
I made you strong  
But now I'm more than a conqueror  
Your bark was so loud that you had to go  
But now I stand on the way  
So get out

Hey devil, get behind me (ah, get behind me)  
Hey devil, under my feet (get under my feet)  
I know you thought you had me but I guess you thought wrong  
I'm not afraid of you if you can't tell by this song  
The spirit of the living God is makin' me strong  
Get behind me (get behind me)

I know you thought you had me but I guess you thought wrong  
I'm not afraid of you if you can't tell by this song  
The spirit of the living God is makin' me strong  
Get behind me (get behind me)  
You can't have me (yeah, yeah, yeah)  
Under my feet (yeah, yeah, yeah)  
Don't you touch me (yeah, yeah, yeah)  
Don't you touch me (yeah, yeah, yeah)  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

Hit the road Jack  
And don't you come back no more
