

In A Little While

CeCe Winans

In a, in a, little, little while, while
In a, in a, little, little while, while
In a, in a, little, little while, while
In a, in a, little, little while, while

Jesus said He's coming back
He's coming back real soon
And I believe that everything Jesus says is true, mmm

He's says that He's preparing
A place for all His own
That everyone who claims His name
Will share His home, yeah

In a little while
The Lord is coming back
I know it's not often talked about
Yet still, oh
In a little while
Jesus Christ is coming back down

God's holy word it says that
Everybody's gonna see it
I'll anticipate it
Well, 'cause I believe it
In a little while
He's coming through the clouds

Shout if you believe

The timing is a mystery
And many people doubt
Generations may have come and gone
Don't count Him out
Oh
Jesus who was just a lamb
Jesus who was meek
Is coming back a lion
The majestic King

In a little while
In a little while
The Lord is coming back
I know it's not often talked about
Yet still, oh
In a little while
Jesus Christ is coming back down

God's holy word
God's holy word it says that
Everybody's gonna see it
I'll anticipate it
Well, 'cause I believe it
In a little while
He's coming through the clouds

I believe He's coming

Come on, y'all
I believe He's coming
I believe He's coming back here for His own
I believe
I believe He's coming
I believe He's coming
I believe He's coming back here for His own
Oh, oh
He's coming back
Oh, He's coming back
Yeah, yeah, yeah

Oh, in a little while
In a little while
The Lord is coming back
I know it's not often talked about
Yet still, oh
In a little while
Jesus Christ is coming back down

And it won't be long
God's holy word
God's holy word it says that
Everybody's gonna see it
I'll anticipate it
Well, 'cause I believe it
In a little while
He's coming through, oh

God's holy word it says that
It says that
Everybody's gonna see it
I believe it, yeah
I'll anticipate it
Well, 'cause I believe it
In a little while
He's coming through, oh

God's holyword it says that
Everybody's gonna see it
I'll anticipate it
Well, 'cause I believe it
In a little while
He's coming through the clouds
I believe He's coming

Anybody
Anybody waiting for Him to return?

I'll keep working while I'm waiting
Working while I'm waiting
Working while I'm waiting
'Cause He's coming back to get me

I'll keep working while I'm waiting
I believe He's coming back to get me

Watching while I'm waiting

Watching while I'm waiting
Watching while I'm waiting
Watching while I'm waiting
Watching while I'm waiting
Watching while I'm waiting
I believe He's coming back to get me

Dancing while I'm waiting
I believe He's coming back to get me

Dancing while I'm waiting
I believe He's coming back to get me

Dancing while I'm waiting
I'll be dancing while I'm waiting
I believe He's coming back to get me

In a little while
In a little while
In a little while
In a little while
In a little while

In a little while
The Lord is coming back
I know it's not often talked about
Yet still, oh
In a little while
Jesus Christ is coming back down

Yeah
Woo
God bless you
Come on and give Him praise
We might as well give Him praise in here tonight
Come on thank Him because He's coming back
Woo
Woo
Come on Christians, we can do better than that
Yeah, yeah
He's coming back, He's coming back
Hallelujah
