# Let Them Fall In Love

**CeCe Winans**

If they can't see
How will they turn
If they can't hear
How will they learn
Touch their eyes
Bless their lives
Hear this prayer
Hear my cry

Father let them fall in love with you
Please forgive them too
For they know not what they do
Let them fall in love with you

If hearts are cold
How will they know
If minds are seared
How will they grow
Grant them time
Time to find
Grace through faith
Love through Christ

Father let them fall in love with you
Please forgive them too
For they know not what they do
Let them fall in love with you

Let them fall in love with you
Please forgive them too
For they know not what they do
Let them fall in love with you

So father let them fall in love with you
Please forgive them too
For they know not what they do
Let them fall in love
Let them fall in love
Let them fall in love with you
You
