

Never Lost

CeCe Winans

Miracles when You move
Such an easy thing for You to do
Your hand is moving right now (Du-du-du-du)
You are still showing up
At the tomb of every Lazarus
Your voice is calling me out

And right now, I know You're able
And my God, come through again

You can do all things
You can do all things but fail
'Cause You've never lost a battle
No, You've never lost a battle
And I know, I know
You never will, mm

Everything's possible
By the power of the Holy Ghost
A new wind is blowing right now (Oh yeah)
Breaking my heart of stone
Taking over like it's Jericho
And my walls are all crashing down

But right now, I know You're able
And my God, come through again

You can do all things
(Come on and worship with me tonight, oh yeah yeah)
You can do all things but fail
'Cause You've never lost a battle
No, You've never lost a battle
And I know, I know
You never will
(You can)
You can do all things (Oh, yes, You can)
You can do all things but fail (All things but fail)
'Cause You've never lost a battle (Oh, no, You've never lost)
No, You've never lost a battle
'Cause I know, I know
You never will

You've never lost a battle (You've never lost a battle)
You've never lost a battle (You've never lost a battle)
You've never lost a battle (You've never lost a battle)
You never will (You never will)
You've never lost a battle (You've never lost a battle)
You've never lost a battle (You've never lost a battle)
You've never lost a battle (You've never lost a battle)
Never (You never will)
You can do

You can do all things but fail (Oh, Lord)
You can do all things but fail
'Cause You've never lost a battle ('Cause You've never lost)
No, You've never lost a battle (You've never lost)
I know (I know) I know (I know)

You never will (You never will)

You can do all things, oh (You can do all things but fail)

You can do everything else

'Cause You've never lost a battle (You've never lost)

No, You've never lost a battle

I know (I know) I know (I know)

You never will (You never will)

I know (I know) I know (I know)

You never will (You never will)

I know (Never lost) I know (Never lost)

You never will

Yeah, yeah

The Bible says in John 1 and 5 that the light shines in the darkness, and the darkness did not understand it or overpower it

What does that mean?

God is so powerful

It doesn't matter what trial you find yourself in

It doesn't matter how big the mountain is, He's greater

And it's not even close, He's, He's, He's so much greater

And, and, and, and He has all power

He knows the end from the beginning, so you don't have to be afraid

Actually you can rejoice before you see your prayer answered

Don't have to wait 'til the battle's over, I can shout now

I don't have to wait 'til the battle's over, I can shout now

I don't have to wait 'til the battle's over (Come on, sing that with us), I can shout now

(Oh Lord) I don't have to wait 'til the battle's over, I can shout now

I don't have to wait 'til the battle's over, I can shout now

Why? 'Cause we've already won

I don't have to wait 'til the battle's over, I can shout now

Why? 'Cause He's already won

I don't have to wait 'til the battle's over (Hey-hey yeah), I can shout now

Don't have to wait

I don't have to wait 'til the battle's over, I can shout now

I can shout now (I can shout now)

I can shout now (I can shout now)

I don't have to wait (I can shout now)

Why? Because He's already won (I can shout now)

Why? Because the victory is mine (I can shout now)

I can shout now (I can shout now)

I can shout now (I can shout now)

Yeah (I can shout now)

Come on put those hands together

I can shout now

(I can shout now)

Hey (I can shout now)

The victory is already mine (I can shout now)

Jesus in it (I can shout now)

Yeah

Come on and give Him praise
