Losing My Mind

Cecilia Krull

Every time I go
Every time I'm down I'm high
I promise to myself it will be the last time

Ain't nobody gotta know what I did today
I don't wanna hear what you gotta to say
Sitting on my throne watching how's the world's collide

I call it paranoia
I love you 'til I die
I'm losing my mind

Te hiere y hiere
Te hiere y hiere
Te hiere y hiere
Te hiere y hiere

Knocking on my door
Looking for a place to hide
How can I escape when all I see are blurry lies
Shadows on the floor trying to get away
Queen of my demise yeah I'm a slave
Knocking on my door watching how's the world's collide

I call it paranoia
I love you 'til I die
I'm losing my mind

Te hiere y hiere uh uh uh uh
Te hiere y hiere
I'm losing my mind
Te hiere y hiere uh uh uh uh
Te hiere y hiere
I'm losing my mind
Te hiere y hiere
Te hiere y hiere
I'm losing my mind
Te hiere y hiere oh oh
Te hiere y hiere
I'm losing my mind

Fitting myself I'm trying to make it back home
Cleaning my body I set fire to the throne

Te hiere y hiere
Te hiere y hiere I'm losing my mind
Te hiere y hiere
Te hiere y hiere I'm losing my mind
Te hiere y hiere
Te hiere y hiere
I'm losing my mind
Te hiere y hiere oh oh
Te hiere y hiere
I'm losing my mind
