

# Do Whatever You Like

CeeLo Green

Do whatever you like; do whatever you like (shh) [4X]

If the bubbles feel good  
Hop on in and let me take you away  
(I can only soak a minute - I can't stay longer than that)  
Well this is your life  
Stick a finger in my jet, it's not gay  
Upstairs is Francine  
Downstairs is shouting  
(These bubbles go straight up my...)  
Do whatever you like; do whatever you like (shh) [4X]

{What time is it? Damn}  
{Why is it so hot in here? Uhhh}  
{I must be dreamin', this room seems to be steamin'}  
{Wait wait, hold up - hold up!}  
{Is that a bubbly sound I'm hurrin'?}  
{There's water everywhurr-an'}  
{I'm freakin', straight tweakin'}  
{Where is my man, he best not be creepin'}

Do whatever you like; do whatever you like (shh) [4X]

Don't listen to her, listen to me  
You gotta do the tub if you wanna be free  
{I'm your wife, listen what I say}  
{Out of the tub or no boo-tay}  
(What should I do? I don't know)  
(I can't get out cause it's too cold)  
It's frustration  
versus, relaxation - uhh-huhhhh  
(I feel so conflicted, but this is up to me)  
(On one hand there's the hot tub - the other's family)  
{So what's it gonna beeeeeee?!}  
{Choose Stan!}
