

# Fool for You

CeeLo Green

Yeaah...

What?! That real, that deep, that burning, that amazing unconditional, inseparable love  
That feel like forever, that always emotional but still exceptional love  
Can't nobody tell me nothing it is what it is  
And any mistake you make I, I just may forgive  
Right now, right now at this very moment I still love her like  
I loved her then  
I love her in and out and up and down and 'round and 'round and  
over and over again  
So rare they swear that you just don't exist  
And there's only one person I can think of that makes me feel like this  
And I'm a fool, such a fool for you!

What?! That deep, that sweet, that soft and that wet that fire,  
that funky stuff  
That up and that down, that front and that back, baby I can't seem to get enough  
Ooo Baby let me do it, let me do it 'til I'm satisfied ahh ahh  
Baby now please baby I ain't got no more pride  
Sweet sugar I surrender, I don't want no other woman. Baby you  
win  
And you ain't never got to worry, ever got to worry  
You'll never be alone again  
There's nothing, there's nothing  
That I wouldn't do  
I wrote a song about it mama  
Everybody knows who I'm talking to  
And I'm a fool, such a fool for you

I'm a fool, I'm a fool, I'm such a fool...
